PETITIONING THE COURT

To modify the conditions of supervision as follows:

19. You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.

CAUSE

On March 28, 2006, Mr. Garcia submitted a urine sample at Merit Resource Services which tested presumptive positive for cocaine. The defendant admitted to using cocaine on March 27, 2006, and indicated he only used that one time and has not used since. Mr. Garcia has been on supervision since December 2004, and this is his first violation for illegal drug use. As a corrective measure, the defendant has agreed to increased urinalysis testing at Merit Resource Services. In addition, recent 9th Circuit case law requires the Court to specify a specific number of urine tests to be set. Enclosed is a waiver signed by the defendant agreeing to the above modification of his conditions of supervised release.

Respectfully submitted,

Waiver of Hearing to Modify Conditions of Probation/Supervised Release or Extend Term of Supervision

I have been advised and understand that I am entitled by law to a hearing and assistance of counsel before any unfavorable change may be made in my Conditions of Probation and Supervised Release or my period of supervision being extended. By "assistance of counsel," I understand that I have the right to be represented at the hearing by counsel of my own choosing if I am able to retain counsel. I also understand that I have the right to request the court to appoint counsel to represent me at such a hearing at no cost to myself if I am not able to retain counsel of my own choosing.

I hereby voluntarily waive my statutory right to a hearing and to assistance of counsel. I also agree to following modification of my Conditions of Probation and Supervised Release or to the proposed extension of my term of supervision:

To modify the conditions of supervision as follows:

19. You shall abstain from the use of illegal controlled substances, and shall submit to urinalysis testing, as directed by the supervising probation officer, but no more than six tests per month, in order to confirm continued abstinence from these substances.
